

# CDF Corporation Company Profile

## Overview

Founded in 1971, CDF Corporation is an international company that specializes in the manufacture and sale of high quality pail, drum, intermediate bulk container and bag in box liners and flexible packaging.

**Headquarters:** Plymouth, MA USA

## Leadership

Joe Sullivan, Jr  
President

Laura Beechwood  
Director of European Operations

## Product Offerings

Cheer Pack®	Flexible spouted pouch featuring an easy-flow straw with a reclosable, tamper-evident, screw-on cap.
Cheertainer®	An innovative and improved bag-in-box system consisting of a gusseted, form-fit multi-ply bag to maximize space and productivity.
Drum & Pail	Liners and accessories for drums and pails. CDF has a wide range of solutions: from tough, leak-proof, vacuum-formed inserts, to economical, round-bottom liners, to the special protection of barrier-film liners.
IBC	Liners for intermediate bulk containers ranging in size from 55 gallons to 330 gallons.

**Key Facts:** Numerous patents and proprietary technology, such as CDF1 Smart Seal Technology™. CDF has a global presence with partners, manufacturers and sales offices around the world. CDF products are made in US at the manufacturing facilities in Plymouth, Massachusetts.

## Primary Markets

Food & Beverage	concentrated fruit, dairy, fats, flavorings, juice, oils, pastes, purees, sauces, spices, sweeteners, syrups, vinegar, water, wine
Chemical	adhesives, agricultural chemicals, chemicals, coatings, detergent, inks, paints, sealants
Cosmetic	cleansers, conditioner, creams, liquid makeup, lotions, powders, shampoo, tanning spray
Automotive	greases, lubricants, mechanical oil, transformer oil
