

worldwide innovator in flexible liquid packaging

FOR IMMEDIATE RELEASE

The Smart Pail™ on display at the Association of Dressings & Sauces Technical Meeting

Plymouth, MA, March 21, 2013 - CDF Corporation, a leading manufacturer of [drum](#), [pail](#), [intermediate bulk container](#) and [bag in box liners](#) and [flexible packaging](#), will display the Smart Pail™, a plastic pail replacement system, at the Association of Dressings & Sauces Technical Meeting in April.

The Association of Dressings & Sauces Technical Meeting will be held April 28th to the 30th in Charleston, SC. The technical meeting includes varied technical sessions that provide know-how and solutions for dressings, sauces and other condiment product manufacturers and suppliers.

Representing CDF will be Joe Wanner, Product Manager of the Drum and Pail Division. Joe is responsible for the development and growth of several product lines including the Smart Pail brand on a global basis. Joe's current focus is to bring the Smart Pail product line out of product development to the commercial stage and penetrate key market segments in the food, chemical, pharmaceutical and cosmetic industries. Joe has over 20 years of sales management and brand development experience in bulk liquid packaging, global logistics and flexible films. Combining a deep understanding of packaging, transportation, direct customer relationships and global logistics allows Joe to offer a consultative approach in all facets of the supply chain during the critical change and implementation phase of a new packaging and transportation program.

CDF offers a wide range of flexible products that satisfy customer's environmental needs. The [Smart Pail](#) is a plastic pail replacement system. Its modern design consists of a cube-shaped, semi-rigid, flexible vacuum-formed plastic liner with the option of a hermetically sealed lid and/or snap-on plastic cover, corrugated box and corrugated lid. The end user removes corrugated lid, peels back sealed plastic lid, then pumps or scoops the product. The Smart Pail is available in 5 gallon sizes and is ideal for viscous food products.
