

worldwide innovator in flexible liquid packaging

**FOR IMMEDIATE RELEASE**

***CDF introducing EZ-Flo Dispensing System at National Restaurant Show***

Plymouth, MA, May 1, 2013- CDF Corporation, a leading manufacturer of [liners](#) for [drums](#), [pails](#), [intermediate bulk containers](#) and [flexible packaging](#), will introduce CDF's newest product, the EZ-Flo™ dispensing system at the 2013 National Restaurant Show, booth# 9087 North Hall Level 1.

The National Restaurant Show will be held May 18<sup>th</sup> to the 21<sup>st</sup> at McCormick Place in Chicago, IL. For nearly a century, the NRA Show has brought together the best and brightest in the restaurant, foodservice and hospitality industry for four days of discovery, sourcing, networking and entertainment. The NRA Show draws 58,000+ industry professionals from all 50 states and 100+ countries. As the international foodservice marketplace, the NRA Show provides unparalleled opportunity for buyers and sellers to come together, conduct business and learn from one another, igniting the future of businesses, relationships and ideas. <http://show.restaurant.org>

The EZ-Flo system is an environment-friendly dispensing alternative to traditional squeeze, pump and spray bottles. The EZ-Flo's innovative dispensing system uses patent pending technology to dispense products of various viscosities without the assistance of gravity. The system is cost effective, reducing waste, time and labor, while improving overall productivity. Markets for the EZ-Flo include: food (condiments, dressings and oils, sauces, dessert and pastry toppings/decorating), chemicals (adhesives, cleaning products, lubricants) and cosmetics (hair care products, hand creams, toothpaste).

CDF's Smart Pail™, a [plastic pail](#) replacement system and the Cheertainer® bag-in-box will also be on display at the NRA Show. The [Smart Pail](#) is a semi-rigid, flexible vacuum-formed plastic liner with the option of a hermetically sealed lid and/or snap-on plastic cover, corrugated box and corrugated lid. The Smart Pail was developed for viscous and dry products. Smart Pail markets include: food (fillings, frosting, pastes), chemical (adhesives, greases, inks, lubricants, paints), cosmetic (flakes, lipstick, powders) and construction (powders, drywall mud, concrete additives).

The Cheertainer, CDF's form-fit [bag-in-box](#), is an ideal solution for small and large volume needs. Ranging in size from 5 to 20 liters, the [Cheertainer](#) is manufactured with CDF1 Smart Seal Technology™, ensuring the ultimate reliability of the package. Markets for the Cheertainer include: food and beverage (flavorings, purees, sauces, vinegar, beverage base, coffee, dairy, juice, lemonade, tea, water), chemical (adhesives, agricultural, automotive lubricants, automotive oils, chemicals, coatings, detergents, inks, paints, petroleum) and cosmetic (cleansers, conditioner, cream, liquid makeup, lotion, shampoo, tanning spray).

**About CDF Corporation**
