

worldwide innovator in flexible liquid packaging

**FOR IMMEDIATE RELEASE**

***The EZ-Flo™ and Cheer Pack® pouches selected to exhibit at ConAgra***

Plymouth, MA, February 21, 2014- CDF Corporation, a global company that specializes in the manufacture and sale of high quality [pail](#), [drum](#), [intermediate bulk container](#) and [bag in box liners](#) and [flexible packaging](#), will display packaging solutions at the TOPS ConAgra Foods show.

CDF Corporation will be co-exhibiting with Cheer Pack North America at the TOPS Exhibition and Innovation Fair at ConAgra Foods, Inc. held at the Embassy Suite Omaha on March 11, 2014 in Omaha, Nebraska. CDF Corporation is one of forty-six companies selected to exhibit; the focus of the show is Clean Label.

Representing CDF will be Mark Sinn, EZ-Flo Product Manager. Mark will be promoting the EZ-Flo dispensing system, an environment-friendly dispensing alternative to traditional squeeze, pump and spray bottles. The EZ Flo's innovative dispensing system uses patent pending technology to dispense products of various viscosities without the assistance of gravity. The system is cost effective, reducing waste, time and labor, while improving overall productivity.

Cheer Pack North America will be represented by Stacia Draper. [Cheer Pack North America](#) is an international partnership between CDF Corporation, Gualapack and Hosokawa Yoko. Cheer Pack North America will be promoting the [Cheer Pack](#), a flexible spouted single-serve retail [pouch](#) featuring a convenient, easy-flow straw and a reclosable, large tamper-evident, screw-on cap. This unique pouch format is ideal for packaging squeezable liquids, gels, pastes and purees. Cheer Pack is available in a variety of sizes, styles and film choices. Cheer Pack North America supplies a complete packaging solution, including package design and conversion, filling equipment options and technical support.

**About CDF Corporation**

[CDF](#) Corporation is a privately held flexible packaging company that leads the U.S. market in liners for industrial containers and custom packaging solutions. Since its inception in 1971, the company has maintained an entrepreneurial approach to industrial packaging, manufacturing and promotion. CDF manufactures products ranging in sizes from 2 gallons to 330 gallons in its Plymouth, Massachusetts ISO certified facility. [www.cdf1.com](http://www.cdf1.com)

**About Cheer Pack North America**

Cheer Pack North America ([CPNA](#)) is an international partnership established in 2008 to develop and support spouted pouch technology in North America. The partnership consists of Hosokawa Yoko of Japan, Gualapack of Italy and [CDF](#) Corporation of the United States of America. Each of the three partners provides a great deal of experience and knowledge to sustain the efforts of Cheer Pack North America in the United States. [www.cheerpack.com](http://www.cheerpack.com)
