

worldwide innovator in flexible liquid packaging

FOR IMMEDIATE RELEASE

EZ-Flo voted Top Product at Association for Dressings and Sauces Technical Meeting

Plymouth, MA, May 27, 2015 - CDF Corporation's newest product the "EZ-Flo™ Packaging and Dispensing System" was voted the top product presentation at the Association for Dressings and Sauces Spring meeting.

At the New Products and Services Presentations, CDF Corporation presented their newest product, the [EZ-Flo Dispensing System](#), an environment-friendly dispensing alternative to traditional squeeze, pump and spray bottles. The EZ-Flo's innovative dispensing system uses patent pending technology to dispense products of various viscosities without the assistance of gravity. The system is cost effective, reducing waste, time and labor, while improving overall productivity.

During the ADS 2015 Technical Meeting attendees of the New Products and Services Presentations selected the top products deemed to be the most relevant to the dressings and sauces industry. The products were evaluated based on the following criteria: the product is new to the dressings and sauces industry, the product is innovative and the product is of benefit to the dressings and sauces industry. The information on the top four products has been compiled and is now located on the ADS website <http://www.dressings-sauces.org/achievements-new-products-and-services>.

The Association for Dressings & Sauces Technical Meeting was held May 3rd - 5th at the Hyatt Regency San Antonio Riverwalk in San Antonio, Texas. The technical meeting included varied technical sessions that provided know-how and solutions for dressings, sauces and other condiment product manufacturers and suppliers.

The Association for Dressings and Sauces (ADS) represents manufacturers of salad dressing, mayonnaise and condiment sauces and suppliers of raw materials, packaging and equipment to this segment of the food industry. Its purpose is to serve the best interests of industry members, its customers, and consumers of its products through a governing body of a 16-member Board of Directors and eight working committees. <http://www.dressings-sauces.org/>
