

LinerPro™ Pail Liners

Round Bottom

Heat-sealed LinerPro form-fit round bottom pail liners provide an economic solution for protecting your products. LinerPros are ideal for use with viscous liquid, powder and particulate materials. These liners are designed for easy installation and can be simply twisted and tied off to protect contents. Special models are intended for use with solvents, flammable powders, hot liquids, oxygen-sensitive or hygroscopic materials or aggressive chemicals.

Benefits

- Ensures the absolute purity of your product
- The round bottom shape allows more recovery of your valuable product than flat seam bags, as it minimizes wrinkles and folds
- Reduces pail cleaning and reconditioning costs
- Environment-friendly packaging, helps users to reach sustainability goals

LinerPro™ Pail Liners

Round Bottom

Size

LinerPro round bottom liners are available for 5 gallon pails.

Material Choices

All liners are made in America from FDA-approved films.

Low-density polyethylene is intended for general use and provides superb tensile strength and elongation, as well as high resistance to tears and flex cracking. Low-density polyethylene is designed for applications up to 175°F.

Polypropylene is designed for hot-fill applications up to 300°F.

Anti-stat contains an internal anti-stat agent to aid in the reduction of static build-up, thus reducing dry chemical static cling and chance of ignition of flammable materials.

Custom Designs

CDF will always consider custom designs.

CDF warrants that its products will be free from defects in material and workmanship for one-hundred eighty (180) days after the date of delivery. Warranty claims must be made in writing no later than five (5) business days after the expiration of the warranty period. CDF's obligations under this warranty are limited solely to replacement of such products as are proven to be defective after CDF's inspection. The foregoing limited warranty is exclusive. CDF expressly disclaims and excludes any and all warranties, express or implied, including implied warranties of merchantability and fitness for a particular purpose relating to the use or performance of CDF products. CDF shall not be liable for personal injury or property damages unless caused solely by CDF's negligence. CDF shall not be liable for loss of profit or other special, indirect, incidental or consequential damages arising out of the use of CDF products, regardless of the legal theory on which the claim is based and even if CDF has been advised of the possibility of such damages.
