

worldwide innovator in flexible liquid packaging

FOR IMMEDIATE RELEASE

CDF Bag-in-Box targeting lubricant manufacturers at ILMA Management Forum

Plymouth, MA, April 5, 2016 - CDF Corporation, a global company that specializes in the manufacture and sale of high quality [pail](#), [drum](#), [intermediate bulk container](#) and [bag in box liners](#) and [flexible packaging](#), will exhibit bag in box at the Independent Lubricants Manufacturers Association's Management Forum.

The Independent Lubricants Manufacturers Association's Management Forum will be held April 14th to April 16^h at the Fairmont Southampton Hotel in Bermuda. The management forum is three days of networking, informative sessions, committee meetings and the opportunity for customers and suppliers to meet.

Bag-in-box flexible packaging offers manufacturers many benefits, such as filling without air, resulting in no foaming, splashing or glugging; reduced plastic consumption compared to rigid cube-shaped containers and reduced transportation and storage. CDF's liners fit with manual, semi-automatic and fully automatic fill lines. CDF's [bag-in-box](#) liners are manufactured in a clean room environment, using cutting-edge CDF1 Smart Seal Technology that monitors and ensures consistent, high-quality seals. The liners come in two styles: Cheertainer® form-fit style or pillow style. CDF's [bag in box liners](#) are available in the industry standard size of 6 gallons, other sizes are also available upon request.

About CDF Corporation

[CDF](#) Corporation is a privately held international company that specializes in the manufacture and sale of high quality pail, drum, intermediate bulk container and bag in box liners and flexible packaging. CDF manufactures products ranging in sizes from 2 ounces to 330 gallons in its Plymouth, Massachusetts ISO certified facility.
